MEMORANDUM FOR THE RECORD

SUBJECT: NSDD-97 Steering Group

1. As a result of my request to Judge Clark and concerns expressed over the absence of CIA presence on the NSDD-97 Steering Group, Clark had Bob Helm, NSC, contact me on 8 July.

2. Helm assured me that the Steering Group would have member organizations of the National Communications Service in attendance whenever such matters involving their programs or their responsibility were discussed. In other words, if intelligence flow or diplomatic communications were to be discussed then CIA would be invited. I indicated that was not clear in any of the paperwork I had seen. He assured me that that indeed was the intent and he guaranteed CIA would be invited on any issue that would impact on us.
